Located in quiet, leafy, upmarket Bolwarra is this newly renovated brick veneer 3 bedroom home on 8 acres.

The home boasts a new quality kitchen with timber bench-tops and new appliances and a new bathroom with a large glass panel shower and new vanity. There is new high quality carpet in all three bedrooms and high quality floating timber floors in the main living areas. New tiles to the bathroom, separate toilet and laundry complete the interior and compliment the new paint in neutral tones. The house is bright and airy.

Outside there is a large 4 bay workshop with concrete floor, power and lights and another 4 bay shed with power and lights and a secure lock up storage room suitable for feed and tack.
